VERIFICATION OF GRADUATE STUDENT STATUS

(Required for graduate student registration rate)

Graduate student registration is offered to graduate students who are not otherwise employed in an administrative capacity in an institution of higher education and who are pursuing a degree leading to or supporting an intended career-track in higher education administration.

Name of Graduate Student	
---------------------------------	--

The following signature of a college/university administrator or faculty member is provided as verification that the above named student is matriculated into and pursuing a graduate degree supporting an intended career-track in higher education administration. It also represents, to the best of the signer's knowledge, that the above named student is not otherwise employed in an administrative capacity in an institution of higher education.

Name (printed/typed)	
Title	
Institution	
Signature	

The signature of a college/university administrator or faculty member verifying this status must be submitted with the national assembly form in order to qualify for the graduate student registration rate.
